2x bestselling author, 8x Inc. 500 fastest-growing companies in America, and over 11 years as a keynote speaker.

About

Frankie Russo is a best-selling author, serial entrepreneur, and recognized as one of the **Top 50 Thought Leaders in Growth**. Since 2005, Frankie has been building, scaling, and selling companies across multiple industries, including **technology, advertising, marketing, music, retail, real-estate, automotive, agriculture, broadcasting, publishing, and finance**.

One of Frankie's biggest ventures was **360ia**, where he developed an **early AI-driven Martech platform** that leveraged machine learning to optimize marketing performance. They distributed the product **nationwide** and built teams in both the **U.S. and India**, pushing the boundaries of AI-powered business solutions before most companies were even thinking about it.

Frankie has always believed that growth isn't about luck—it's about having the right **strategy and systems**. He put that belief into action by leading a company to **60X growth in just three years** before successfully exiting to a **Fortune 500 company**. He's been honored **eight times on the Inc. 500 list**, and now, Frankie help organizations break

free from stagnation and achieve **limitless growth** through proven, repeatable strategies.

Whether he's building businesses, writing books, or speaking on stage, his mission is simple: **help leaders scale smarter, adapt faster, and create unstoppable momentum.**
